EXPERIENCE

Cloud Computing Intern

DevSkill Hub

 Jan 2024 - May 2024

- Assisted in designing and deploying scalable cloud-based solutions using platforms like AWS and Azure.
- Monitored cloud infrastructure to ensure performance, security, and cost efficiency.
- Gained hands-on experience in virtualization, containerization, and cloud storage management.

Data Science Intern

YoungMinds Private Limited

 Nov 2023 - Dec 2023

- Conducted data cleaning, preprocessing, and exploratory analysis on large datasets to uncover insights.
- Developed machine learning models for predictive analysis and evaluated their performance.
- Visualized data trends and findings using tools like Python, Tableau, and Power BI.

EDUCATION

B.Tech in Computer Science and Engineering

N.B.K.R Institute Of Science and Technology

 Dec 2020 – June 2024  Tirupati , Andhra Pradesh

Higher Secondary Education

Sri Chaitanya Junior College

 June 2018 – Mar 2020  Podalkur, Andhra Pradesh

Secondary Education

Sri Sainadh High School

 June 2017 – May 2018  Podalkur, Andhra Pradesh

SO FAR PROJECT EXPERIENCE

The Plant Doctor

The Plant disease detector project involved developing a machine learning system to identify diseases from leaf images accurately. By implementing image preprocessing techniques and training a convolutional neural network, the system achieved reliable classification of various plant diseases.

Placement Management System

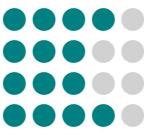

The placement management system web project was designed to streamline the recruitment process for educational institutions. It provided functionalities for managing student profiles, company requirements, and placement schedules through a user-friendly interface

SUMMARY

” Enthusiastic and detail-oriented CSE graduate with a solid foundation in core principles and practical applications”

TECHNICAL STRENGTH

Python
MY SQL
Web Development
UI/UX

COURSEWORK

Distributed Systems

NPTEL

 July 2023 – Sep 2023

CERTIFICATION

UI/UX Developer

Udemy

 Aug 2024

Full Stack Web Development

SkillLync

 Jan 2023

STRENGTHS

- Hard-working
- Persuasive
- Motivator & Leader
- Communication
- Team Work
- Creativity

LANGUAGES

English
Hindi
Telugu

MOST PROUD OF

Sakshi Tournament

Secured the title of regional champions in the prestigious Sakshi Tournament, showcasing exceptional teamwork and skill. Demonstrated determination and sportsmanship throughout the competition.
